Hearing on: Consumer Indirect Purchaser Plaintiffs' Motion for Final Approval of the Class Action Settlement Between Consumer Indirect Purchaser Plaintiffs and Defendant Smithfield Foods, Inc. and Consumer Indirect Purchaser Plaintiffs' Motion for an Award of Attorneys' Fees and Expenses

PROCEEDINGS

The parties presented arguments in favor of the motion for attorneys' fees and expenses (Docket No. 1763) and motion for final approval of the settlement (Docket No. 1857). The Court indicated that it intends to grant the motion for final approval, but the parties will first confirm that the proposed order correctly states the number of opt-out class members. The Court also indicated that it intends to grant the motion for the service awards and expenses, but requests that the Consumer Indirect Purchaser Plaintiffs file an affidavit that outlines their typical hourly rates for partners and associates by April 10, 2023, at which point it will then issue an order on their motion for attorneys' fees.
